*Last updated: 02/04/2020.*

### Data of the controller:

**Name:** BBS Nanotechnology Ltd.

**Headquarters:** Debrecen, Böszörményi út 212.

**Name of representative:** Dr. Prépost Eszter Anna

BBS Nanotechnology Ltd. (hereinafter referred to as "Data Controller") manages the data of natural persons (hereinafter referred to as "Data Subject") linked to its projects funded by various grant sources. The purpose of this document is to provide you with information on the processing of personal data and your rights to personal data.

Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data and repealing Directive 95/46 / EC (General data protection The terms used in this prospectus, pursuant to Article 4 of Regulation (EC) No.

- "personal data" means any information relating to an identified or identifiable natural person ("data subject"); identifiable by a natural person who, directly or indirectly, in particular by virtue of one or more factors such as name, number, positioning data, online identification or physical, physiological, genetic, intellectual, economic, cultural or social identity of the natural person identified;
- "data management" means any operation or combination of operations, whether automated or not, carried out on personal data or data files, such as collection, recording, filing, sorting, storing, transforming or changing, retrieving, accessing, using, communicating, transmitting, otherwise made available, coordinated or linked, restricted, deleted or destroyed.
- "controller" means the natural or legal person, public authority, agency or any other body which determines the purposes and means of the processing of personal data, alone or jointly with others; where the purposes and means of data processing are determined by Union or Member State law, the controller or the specific criteria for designating the controller may be defined by Union or Member State law;
- "processor" means a natural or legal person, public authority, agency or any other body which processes personal data on behalf of the controller;
- "recipient" means the natural or legal person, public authority, agency or any other body to whom or to whom personal data are disclosed, whether a third party or not. Public authorities which have access to personal data in the framework of an individual investigation in accordance with Union or Member State law shall not be considered as recipients; the processing of such data by such public authorities must comply with the applicable data protection rules in accordance with the purposes of the processing;
- "third party" means any natural or legal person, public authority, agency or any other body which is not the Data Subject, the Data Controller, the Data Controller or any person who, under the direct control of the Data Controller or the Data Processor, they have been authorized;
- "consent of the data subject" means the voluntary, explicit and unambiguous expression of the will of the data subject, by which the data subject signifies his or her consent to the processing of personal data concerning him or her by means of a declaration or unambiguous act of confirmation;

- "supervisory authority" means the independent public authority established by a Member State in accordance with Article 51.

Legal background to the processing of personal data

In particular, the following laws shall govern the processing of data by the Data Controller:

- Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data and repealing Regulation 95/46 / EC (general) Privacy Policy (GDPR)
- Act CXII of 2011 on Freedom of Information and Freedom of Information; (hereinafter referred to as "Infotv")
- laying down common provisions for the European Regional Development Fund, the European Social Fund, the Cohesion Fund, the European Agricultural Fund for Rural Development and the European Maritime and Fisheries Fund, the European Regional Development Fund, the European Social Fund and the Cohesion Fund, and Regulation (EU) No 1303/2013 of the European Parliament and of the Council of 17 December 2013 laying down general provisions on the Maritime and Fisheries Fund and repealing Council Regulation (EC) No 1083/2006
- Decree No. 272/2014. On the rules for the use of grants from the European Union funds for the 2014-2020 programming period (XI. 5.) Government Decree (hereinafter: Government Decree 272/2014)

What, how and why?

The Controller treats personal data to a different extent depending on the type and existence of the legal relationship with the Data Subject. Data management includes data handled in the course of fulfilling administrative obligations to grant management organizations, as well as data contained in project documentation held at the Data Manager site.

Data obtained from another controller

When using the sources of support, the Data Controller does not obtain certain data directly from the Data Subject but from its contractual partners. The Data Controller thus obtains the data of the Consortium Partner or the contact person or representative of the Supplier, as appropriate. In such a case, the Data Controller shall ensure that the contracts entered into guarantee that the Partner will lawfully process and make available the Data of the Stakeholders.

72/2014. (XI.5.) Government Dec. 31, 2027, or, if the Agreement is terminated at a later date, the date of termination of the Agreement.

How to share Stakeholder data, transfer data to other organizations

In processing the data, the Data Controller shall be entitled or obliged to transmit or make available to the processors, further data controllers or data processors (recipients) we use the personal data of the Data subject:

- necessary for performance of the contract;

- as required by law;
- possible on the basis of the consent of the Data Subject;

In some cases, the Data Controller may need to disclose certain personal information to other recipients. Recipients shall treat their data subject to compliance with the privacy principles and the provisions of this Privacy Statement and applicable law. We may share your personal information with the following recipients:

- Data processors acting on behalf of the Data Controller (application writers, consultants, project managers);
- In the grant management process, Government Decree 272/2014. (XI.5.) Korm. (Managing Authority, Intermediate Body, Fund Executing Agency, Public Procurement Controlling Organization);
- Data processors of the grant management organizations (organizations responsible for the development, systems and portal development, security and security);

### Enforcing the Data Protection Rights of the Data Subject

It is important for the Data Controller to be aware of their data protection rights. To this end, and in accordance with the applicable data protection rules, the following describes the data protection rights that a Data Subject may enjoy in relation to his or her personal data:

- Right of Withdrawal (Article 7 GDPR): You have the right to withdraw your consent to data processing at any time. Withdrawal of consent shall not affect the lawfulness of the processing of data by consent.
- Right of access (Article 15 of the GDPR): You have the right to receive feedback on whether your personal data are being processed and, if data are being processed, to receive a copy of the personal data being processed and the essential circumstances of the data processing. get information.
- Right of rectification (Article 16 of the GDPR): You may request the rectification of personal data inaccurately processed by the Data Controller without undue delay and the correction of incomplete personal data. In this case, the Data Controller verifies the accuracy of the data and corrects the data accordingly.
- Data Portability (Article 20 GDPR): You have the right to request a copy of your personal data processed under a contract and to forward it to other organizations, or to request the Data Controller to transfer such data.
- Right of objection (Article 21 of the GDPR): You may object to the ongoing processing of your personal data and request that it be terminated if the processing is necessary to assert the legitimate interests of the Data Controller or a third party, or to exercise public authority. In such a case, the Data Controller will review your request and terminate further processing of the data as appropriate.
- Right of Deletion (Article 17 GDPR): You may initiate the deletion of your personal data by the Data Controller if:
  - ♣ the purpose of data management no longer exists and there is no longer any need to manage that data;
  - ♣ you have exercised the right of withdrawal with respect to the data in question and there is no other legal basis for data management;

- ♣ You have exercised a right of objection to the data in question and there is no other legitimate reason for the processing,
- ♣ unlawful processing of your data;
- ♣ your data must be deleted in order to comply with a legal requirement;

In such a case, the Data Controller will examine your request and, if deletion of the data is possible, will not only delete your data in its records, but will also forward its request to the persons and entities to whom the data have been disclosed and to whom it is reasonably and reasonably expected.

- Right of Restriction (Article 18 GDPR): You have the right to request limited processing of your data by the Data Controller if any of the following applies:

- ♣ You contest the accuracy of the personal data in question, in which case the limitation applies to the time that the Controller verifies the accuracy of the personal data;
- ♣ You have objected to the data processing, in which case the restriction applies for a period until it is determined that Whether the controller's legitimate reasons take precedence over the Data subject's legitimate reasons,
- ♣ the processing of the data concerned is unlawful or the purpose of the processing has ceased to exist, but for some reason you are against the deletion of the data;
- ♣ the Data Controller no longer needs your data, but you are required to make, enforce, and defend any legal claim;

In this case, your data will be locked, after which any data processing operation (except storage) may be performed only with your consent. The restriction may be lifted if the use of the data concerned is necessary for the establishment, exercise or defense of a legal claim, or for the protection of the rights of others or in the public interest of the EU / Member State.

You will always be informed of the lifting of the restriction. Your request for restriction will be forwarded by the Data Controller to the persons and organizations to whom the data have been communicated and which are reasonably and reasonably available to them.

### How to Submit Privacy Requests

You may submit your request for access, rectification, restriction, deletion, protest or data carrier by electronic means, accessible to the Data Protection Officer of the Data Controller. If you wish to exercise your rights, this will involve your identification, and we will need to communicate with you. Therefore, personal information will be required for identification. Identification can only be based on information that we otherwise process about you. Until we resolve your complaint, our email account will have access to your complaint.

### Remedies

If you believe that your rights to personal information have been violated, you may take legal action or file a complaint with the National Data Protection and Freedom of Information Authority (the "Supervisory Authority").
